RESOLUTION NO __-2023

A RESOLUTION DECLARING THE NECESSITY OF LEVYING AN ADDITIONAL TAX IN EXCESS OF THE TEN-MILL LIMITATION AND REQUESTING THE COUNTY AUDITOR TO CERTIFY MATTERS IN CONNECTION THEREWITH AND DECLARING AN EMERGENCY.

WHEREAS, This Council finds, determines and declares that the amount of taxes which may be raised within the ten-mill limitation by levies will be insufficient to provide for the necessary requirements of the City, and that it is necessary to submit to the electors of the City of Trenton the question of imposing an additional tax levy for the payment of firefighting and emergency medical service personnel to operate the fire department for fire and emergency medical services and protection, in the City of Trenton, Butler County, Ohio, which tax levy shall be for a continuing period of time; and

WHEREAS, pursuant to Ohio Revised Code §5705.03, this Council is required to certify to the Butler County Auditor a resolution requesting the Butler County Auditor to certify certain matters in connection with such a tax levy.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Trenton, County of Butler, Ohio:

SECTION 1. That it is necessary that an additional tax be levied in excess of the ten-mill limitation for the benefit of this City, for the payment of firefighting and emergency medical service personnel to operate the fire department for fire and emergency medical services and protection, including the payment of any employer contributions required for such personnel under section 145.48 or 742.34 of the Revised Code, or for the payment of other related costs, as authorized by Ohio Revised Code §5705.19(I), at a rate not exceeding four and one quarter (4.25) mills for each one dollar (\$1.00) of taxable value, which amounts to one hundred forty-eight dollars and seventy-five cents (\$148.75) for each one hundred thousand dollars (\$100,000) of the Butler County Auditor's appraised value, upon the entire territory of the City of Trenton, Butler County, Ohio for a continuing period of time pursuant to Ohio Revised Code §5705.19(3)(a);

SECTION 2. That the Butler County Board of Elections is hereby directed to submit the question of the passage of said tax levy to the electors of the City of Trenton, Butler County, Ohio at the general election to be held on November 7, 2023.

SECTION 3. That if approved by the electors at the general election to be held on November 7, 2023, said tax levy shall first be placed upon the 2023 tax list and duplicate, for first collection in calendar year 2024.

SECTION 4. That pursuant to Ohio Revised Code §5705.03, the Butler County Auditor is hereby requested to certify to this Council the total current tax valuation of this City and the dollar amount of revenue that would be generated by the number of mills specified in Section 1 hereof, and the Treasurer of this City be and is hereby directed to certify forthwith a copy of this resolution to the Butler County Auditor so that said Butler County Auditor may certify such matters in accordance with such Ohio Revised Code §5705.03.

SECTION 5. That it is found and determined that all formal actions of this Council concerning and relating to the adoption of this resolution were adopted in an open meeting of this Council, and that all deliberations of this Council, and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including Ohio Revised Code §121.22, and the rules of this Council adopted in accordance therewith.

SECTION 6. That the immediate application of this Resolution is necessary to ensure that the question will be included in a timely manner on all City of Trenton electoral ballots, including absentee ballots. This Resolution is therefore declared to be an emergency measure and shall be in full force and effective immediately upon its passage by City Council for the reason that it provides for the immediate preservation of the public health, safety, and general welfare of the City of Trenton, Ohio.

Policy Issue

Does the city wish to approve the Resolution of placing a 4.25 mill levy for the payment of firefighting and emergency medical service personnel to operate the fire department to provide fire and medical protection.

Policy Alternative

City Council can choose to not approve the Resolution of placing a 4.25 mill levy for fire and EMS protection and the Fire Department will meet financial constraints under its current funding model and return to 3-person shifts by budget year 2025.

Staff Recommendation

Staff recommends that council receive this report and adopt the necessary Resolution.

Statutory/Policy Authority

- ORC and Ordinances of the City of Trenton

Fiscal Impact Summary

A 4.25 mill levy is expected to yield \$1.2m in additional funding for the Fire department on an annual basis. This revenue will be used to sustainably support an increased staffing model of 2 full-time fighters and 3 part-time fighters per shift through calendar year 2029, in addition to needed dispatch services and anticipating a full-time fire chief in the future. This levy will cost a typical homeowner \$145 per \$100,000 of auditor-appraised home value, based on 2023 valuations and will be subject to reduction factors in future years.

OHIO

Background Information

The Trenton Fire Department currently operates as a part time fire department. The Fire Chief is part time, and the department is authorized 4 part time personnel a day to operate Fire and EMS protection. With full-time departments hiring full-time fire and EMS personnel the part-time pool of people is shrinking. We are struggling at times to fill all 4 part time positions and with part time we do not always have a supervisor on duty, sometimes do not have a paramedic on duty and sometimes do not have certified personnel to operate fire equipment. With this Resolution we would hire 6 full-time personnel giving us 2 full-time personnel on duty everyday with one being and Officer and both being paramedics and one a certified operator. This would greatly enhance our operations of providing Fire and EMS protection. This Resolution would also allow for the hiring of a full-time Fire Chief.

RESOLUTION NO __-2023

A RESOLUTION DECLARING THE NECESSITY OF LEVYING AN ADDITIONAL TAX IN EXCESS OF THE TEN-MILL LIMITATION AND REQUESTING THE COUNTY AUDITOR TO CERTIFY MATTERS IN CONNECTION THEREWITH AND DECLARING AN EMERGENCY.

SECTION 2. That the Butler County Board of Elections is hereby directed to submit the question of the passage of said tax levy to the electors of the City of Trenton, Butler County, Ohio at the general election to be held on November 7, 2023.

City Council can choose to not approve the Resolution of placing a 2 mill levy for fire and EMS protection and the Fire Department will meet financial constraints under its current funding model and return to 3-person shifts by budget year 2025.

Staff Recommendation

Staff recommends that council receive this report and adopt the necessary Resolution.

Statutory/Policy Authority

- ORC and Ordinances of the City of Trenton

Fiscal Impact Summary

A 2.0 mill levy is expected to yield \$575,000 in additional funding for the Fire department on an annual basis. This revenue will be used to sustainably support an increased staffing model of 5 part-time fighters per shift through calendar year 2034, in addition to supplementing needed dispatch services. This levy will cost a typical homeowner \$68.25 per \$100,000 of auditor-appraised home value, based on 2023 valuations and will be subject to reduction factors in future years.

Background Information

The Trenton Fire Department currently operates as a part time fire department. The Fire Chief is part time, and the department is authorized 4 part time personnel a day to operate Fire and EMS protection. With this Resolution the money generated would be to keep the Fire Department as a part-time department and add one part-time position giving us 5 part-time personnel a day to operate fire and EMS protection.
